It's that time of year again! Many of you are making reports to the state on your vision screenings. We at Vizavance formerly Prevent Blindness Oklahoma appreciate your work with the children of Oklahoma. As a Vizavance trained screener the contract states that you will provide Vizavance with your screening numbers this time each year. Here are a few reminders.

- If we came to your school for vision screening this year we **DO NOT** need the number screened during that appointment.
- What **we DO need is all children screened and referred by YOU** if you are a school nurse, teacher, physician, or other agency. These would be children that were absent the day of our screening, new children who have moved into your school since the Vizavance screening, screenings done for IEP's of children not in the screened group, and children screened by your office or agency.
- We only need ONE report per school site/agency if there are multiple people certified at your school. Please include all names on the reporting form so that we will not take valuable time trying to contact the other certified screeners at your location. Also include the names of all schools you are reporting on so that we will know what schools we are missing.
- We are attaching a form with this email in order to save postage and make responding more convenient for you. Please include the requested information, save it and attach it to a returned email. Or you can print out the form and mail/fax it back to us. If you see an inaccurate email for a colleague, please forward this request on to them. A copy of this form may also be found on our website www.vizavance.org for your convenience.

The deadline for reporting this information is May 15th so that we may complete our end of year reports.

For registration information on our next certification training date, time and location you can go to our website to print out a registration form. Feel free to contact Melanie Gamble, Director of Programs if you have any questions (405)848-7123 ext. 102 or Melanie@vizavance.org.

Sincerely,

Dianna Bonfiglio
President/CEO
