

# Accessing Screening Results Online

- Go to [www.vizavance.org](http://www.vizavance.org), click on Resources in the top white area, but do not select from the drop-down choices.
- Scroll down the page to  **SCHOOL VISION SCREENING RESULTS**. Use the contact email address and password for your school as the Login to this screen. Then use [Option One](#) or [Option Two](#) below to access files.

## Referrals

There are currently 19 referral letters to be downloaded - [View](#)

## Required Student Lists

Student lists are required for the following semesters:

Semester	Details	Students Submitted	
Fall 2019		140	<a href="#">Upload/Manage Included Students</a>
Fall 2020		0	<a href="#">Upload/Manage Included Students</a>

## Screenings Today

[Today](#) [Recent](#) [Upcoming](#) [Past](#)

### Option One

At the top under **Referrals** click **View** to open Screenings with Referrals. Over to the right, click [View Summary...](#) to see screening results. Just below the table showing the number of referrals, look to the right for the link that provides one PDF download with all student referral letters. [Download All Referral Letters - PDF](#) Scroll down and use the [Download PDF](#) feature for individual referral letters. Scroll back above Referrals and Follow-Ups to use the [Downloads & Print-outs](#) tab for other files. The PDF downloads for [Recording Forms](#), [Summary Report](#), and [Referral Follow Up](#) are the most commonly used school files.

### Option Two

At the bottom under Screenings Today click **Past** to see completed screenings. Click the **Blue Screening ID** number for the screening you want to access. Use the [Referrals & Follow-Ups](#) tab to access the Referral Letter PDF downloads. Use the [Downloads & Print-outs](#) tab for all other school screening files.

Note: At the top right by the User name is the arrow for the [Logout](#) function.
